

SALTO SYSTEMS

SALTO
inspired access

We're driven by innovation. Guided by our insights into customer needs, we deliver industry-leading, next-generation electronic locking solutions without wires and without mechanical keys. Since 2001, SALTO has been redefining the access control world by continually being first to anticipate market needs in a rapidly evolving marketplace. We set new standards in security, manageability and scalability.

SALTO hardware and software can be networked without wires to provide real-time intelligence and instant control, whilst enabling integration with existing systems to improve manageability and enhance end-user experience.

THIS IS TO CERTIFY THAT
